## FINANCIAL POLICY

**Baton Rouge Ear Nose & Throat Associates participates in most insurance plans available. Please ask our staff if we are providers for your plan. We file claims for all surgeries and most office visits depending upon your policy. If your insurance carrier requires a referral from your primary care provider (PCP), you are responsible for obtaining the referral prior (24 hours if possible) to your visit. Co-payments, co-insurance and deductibles need to be paid at the time of service. We will collect co-payments, co-insurance and deductibles prior to any surgical or allergy services rendered. Please note that we do provide financial assistance if you need it. If you have any questions regarding this policy, please contact the Business Office or the Office Manager prior to your visit.**
